# Contest Registration

Participation in State History Day is open to qualifying entries that participated in a Regional History Day contest and were selected as State Qualifiers.

## When Does Registration Open for State?

History Day staff will first need to **advance** your entry from the Regional/District level of competition to the State contest. Please allow us two business days following this event update the system and advance your entry. You will get an automatic notification from zFairs that your entry has advanced. This email will include the registration link to register for State and will be sent to the email you used to register for your Regional/District contest or the Virtual Regional and Paper contest.

- **IMPORTANT:** Advancing your entry to State is just the first step. **You are not registered for State until you (and all group members) actually login and complete online registration.**

## Who Needs to Register for State?

All members of a group must register, pay the entry fee, and be included in online registration even if they are unable to attend the contest. Once a group enters the Regional level of competition, they may not change, remove, or add group members.

## Who Pays State Entry Fees?

Parents/guardians should talk to their child's teacher to confirm who is responsible for paying student entry fees. Credit cards are accepted during registration but a school may opt to cover the fees. We will be unable to accept fee payment from students or schools at the event itself.

## Registration Deadline

The online registration system automatically closes at the registration deadline. Please allow yourself enough time to register for the contest and allow for technical problems that might occur!

Event	Date	Registration Deadline	Website Lockout	Entry Fee
State History Day	Sunday, April 27	Thursday, April 10 at 7:59 pm CST	Wednesday, April 16 at 10:59 pm CST	\$15.00/student

# Student Registration

## Step 1: Locate the Link in Your Advancement Email

**There is no public link for this contest.** Registration for State is limited to those entries that qualified. From your advancing email, click on the direct link to online registration. If you cannot locate this link, check your spam filter or contact [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org).

## Step 2: Login (must be done for each individual or group member)

You will use the SAME STUDENT LOGIN that you used at the Regional/District contest or the Virtual Regional and Paper contest. Do not create additional accounts.

## Step 3: Project Information (individual entries and the first team member of group projects)

Your project should already be linked to other group members from the previous level of competition. Review the project information and make any changes, like an updated title.

- Re-submit your written paperwork with any changes you've made since Regionals by the registration deadline. Collecting these in advance allows us to maximize your interview time with judges.

## Step 4: Permissions and Waivers

Students and parents must agree to NHD permissions and waivers again for this level of competition.

## Step 5: Process Payment

If you are responsible for payment, add a registration fee to your cart and submit a credit card for payment. If you know your school is paying, you can create an invoice and complete registration without paying.

# Student Presentation Schedule

A tentative student presentation schedule, listing the presentation time and location for all students, will be posted by Friday, April 18 at [mnhs.org/historyday](http://mnhs.org/historyday). It is your responsibility to check this schedule for spelling errors or omissions. Contact Sammi Jo Papas at [samantha.papas@mnhs.org](mailto:samantha.papas@mnhs.org) or (651) 259-3439 with any problems no later than 8 am on Wednesday, April 23. An updated schedule will be posted on Wednesday, April 23.

**Printed Presentation Schedules:** The full schedule of student presentation times will **not** be posted at the event. QR codes on signage will be available to scan and see this information on a mobile device.

# Topical Prizes

State Qualifiers are also eligible to apply for Topical Prizes. These additional awards are sponsored by a variety of individuals and organizations and recognize outstanding projects focusing on a particular topic or use of a specific resource in creating a project.

Topical Prizes will be judged **virtually** in the weeks leading up to State History Day through a separate judging process than contest judging at the event. Students must complete the separate [Topical Prize Nomination Form](#), and include any additional materials required to be eligible for these prizes. These results will be announced at Pre-Awards at State History Day.

Award winners will receive a packet of information about redeeming their prize. Please note: Cash prizes will require that the individual student (or one student in a group entry) provide a Social Security number by completing a W9 form and returning it to the Minnesota Historical Society. This information is kept confidential at the Minnesota Historical Society. Students will not receive awards until their forms are returned.

**Deadline:** Nominations are due via the nomination form by Wednesday, April 10 by 7:59 pm CST.

## Apply for Topical Prizes

- ❑ **Decide** which prizes you want to apply for (a maximum of 3). Any student/group are eligible to apply for Topical Prizes.
  - ❑ Read the descriptions in the [Topical Prize Catalog](#).
- ❑ **Prepare** your entry. You will need to submit a copy of your entire project when you submit your nominations.
  - ❑ It's okay if you're still making changes after this point for your category judges, Topical Prize judging is evaluated completely separately
- ❑ **Complete the** [Google Form nomination](#). Only one group member needs to submit the form

**Topical Prize results have no bearing on category judging.** Topical Prize judges will review nominated entries in the week prior to the event. All prizes will be awarded during the Pre-Awards Ceremony at State History Day on Sunday, April 27 and with results posted on the website that night.

# General Event Information

## Attendance Policy

We hope that every individual entry and all members of group entries make every effort to attend State History Day. Judges are volunteers and value speaking to students in-person. We understand, however, that scheduling conflicts may happen.

**Missing Members in a Group Entries:** Group entries will not be penalized for missing members. One group member may represent the entry at the contest. All group members advancing from the Regional contest must remain listed with the entry and pay the registration fee. **You do not need to notify contest organizers in advance about missing group members as long as one member will be at the event.**

**Individual Entries with Attendance Conflicts:** Individual entries may make a scheduling request for a specific time through online registration.

- **Phone Interviews:** If you would like to request a phone interview, you must contact the State Coordinator via email for permission at least one week in advance of the contest: [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org).
- **Unable to Attend:** If you are unable to attend, and cannot participate in a phone interview, but still want to participate, you must contact the State Coordinator via email for permission at least one week in advance of the contest: [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org).
- **Religious Conflicts:** If you or your group has a religious conflict with State History Day, we are able to accommodate advance interviews with judges. Please contact the State Coordinator as soon as possible to discuss: [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org) or (651) 259-3439.

**Performances:** Performances must be presented live. Individual entries must be present at the contest for both First- and Final-Round presentations. If a member of a group is missing, students may rewrite the Performance without the missing member, but cannot add or replace group members in accordance with the *NHD Contest Rule Book*. Group Performances that are rewritten to include only one performer must still enter in the Group Performance category.

**Final-Round Documentaries:** Because there are no interviews in the Final-Round, it is permissible for a teacher or another group of students to play the Documentary in the Final-Round. **You do not need to notify contest organizers in advance** if someone else will play the project in the Final-Round. It is the student's responsibility to arrange this.

**Last Minute Emergencies and Illnesses:** Staff will make every effort possible to facilitate the fair and safe participation of any student who has already registered for State History Day and has a last minute family emergency, illness, and/or is under quarantine or isolation restrictions that prevents them from attending the event.

- The student must have previously registered for the contest by the registration deadline.
- The parent/guardian, student, or teacher must communicate with the coordinator in advance of the student's judging time. This is to ensure that the entry is not considered a "no show" and mistakenly removed from consideration for advancement.
- **For group entries:** If other members of the group are able to be present in the event, they will be responsible for setting up the project and interviewing with judges.
- **For individual entries:** Judges will review the project without a student interview. Staff members will communicate that this is an approved exception in order to limit any potential bias from the judges.
  - **Websites:** Judges will use previously submitted URL.
  - **Papers:** Judges will use previously submitted Paper.
  - **Documentaries:** A classmate or teacher needs to be present at the judging time to play the project, and to watch for any final-round times at which they may need to play the Documentary again.
  - **Exhibit:** A classmate or teacher needs to set up and remove the Exhibit.
- **For individual or group performances:** Since no performance recordings are required to be submitted in advance for regular contest judging, contact Minnesota History Day staff to discuss the most fair and safe option for participation in the Performance category in case of last minute emergencies and illnesses.

## Scheduling Requests

Students can request First-Round interview times through online registration. We ask that you use this request for unavoidable conflicts only. First-Round judging generally runs from 9 am to 11:45 am.

Please respect the student participants and judges by not letting personal photography or videography interfere with the judging process. Spectators must have advance student permission to photograph or video-record during Performances. Spectators must request the student **and** judge permissions to record interviews in any category.

**Photography, Videography and Streaming of Awards Notice:** By participating in this event, you consent to having your image recorded for informational or publicity purposes. If, however, you object to having your image recorded for any such potential use, you must affirmatively inform the organizers, who will make every effort to honor your wishes.

## The Interview

Each entry is assigned a specific time during which students will meet with and be interviewed by the judges. The judge team may question students about any aspect of their entry. Judges are provided with a list of sample questions, but **may ask questions outside of the sample list**. Possible questions include:

- What was a helpful source?
- How does this topic fit the theme?
- What was a challenging part of your History Day experience?
- How do you think your topic influenced history?
- Is there anything you would like to tell us that we haven't asked about?

The interview portion of judging is not weighted in the NHD rubric. **All History Day entries are expected to be understood without the need for a student to explain or clarify the material presented.** There are no interviews during Final-Round judging.

If a student needs **accommodation** for their interview or any part of State, please let us know through the online registration form or contact the State Coordinator directly: [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org).

# The Judging Process and Criteria

Evaluating history is a subjective process, but National History Day has established criteria and methods to achieve fair decisions. All decisions are made by the consensus of the judging teams. In effect, History Day judging is a jury process, where the judges have to reach a shared conclusion, rather than a point system. Judges take into consideration both the project itself and the annotated bibliography when evaluating a project. **If a project does not have an annotated bibliography, they are unable to advance to the Final-Round of competition.**

**Historical Quality (80%):** Historical Quality assesses the project's research, analysis, interpretation of the topic, and relationship to the theme. There are eight criteria, each carrying equal weight, and are the same for all categories.

- **Historical Argument:** The use of analysis and evidence to support the historical argument
- **Theme:** The clarity and connection of the topic to the theme in the project
- **Wide Research:** The use of a variety of types of primary and secondary sources
- **Primary Sources:** The support that primary sources give the argument. They may include, but are not limited to first-hand accounts of the topic such as letters, speeches, diaries, contemporary newspaper articles, oral history interviews, documents, photographs, and artifacts.
- **Historical Context:** The relevant connections the student makes to the topic's time and place
- **Multiple Perspectives:** The integration of different perspectives into the project
- **Historical Accuracy:** The accuracy, credibility and lack of critical omissions in historical information
- **Significance in History:** The analysis of the impact of the topic in history

**Clarity of Presentation (20%):** Although historical quality is most important, the entry must be presented in an effective manner. It is important to remember that the NHD criteria specify *clarity* of presentation, which does not necessarily mean a flashy presentation. Judges will be careful to look beyond glitz in projects for organization, neatness, etc. You can find the category-specific clarity of presentation criteria on the [rubric](#).

## Rule Compliance

Judges will take any rule infraction into consideration in their final rankings. Minor rule infractions will *not* disqualify an entry, but rule infractions that give students an unfair advantage will be taken into consideration in determining a project's final ranking. Take close look at the "Rules for All Categories" and the "Individual Category Rules" in the *National History Day Contest Rule Book* for specific rules for each category.

## Disqualification

Tampering with another entry, plagiarism, and revising or reusing an entry from a previous year – whether your own or another student's – is unacceptable and will result in disqualification.

## Selecting Finalists

After finishing the First-Round, judges will meet to discuss the entries they have reviewed. Performance, Documentary, Website, and Exhibit judges will select the top three entries in their First-Round judging group. These entries will then become part of a Final-Round judging process in the afternoon. Research Papers have already gone through preliminary judging. Paper judges will determine the top five award-winners after interviews are complete.

## Final-Round Judging

The Exhibit, Performance, Website, and Documentary categories will have a Final-Round of judging at State. A new set of judges will view the Final-Round entries and select award winners.

- **Exhibit and Website:** Students are NOT present for the Final-Round of judging. Exhibit and Website rooms are closed to the public during final judging. Exhibit students should double-check that at least two copies of their process paper and bibliography are in front of their Exhibit before the room closes. A list of the projects that have advanced to the Final-Round will be posted to social media (@MNHHistoryDay) at the times listed below as well as online at [mn.nhd.org](#).
- **Performance and Documentary:** Students with Performance and Documentary entries will present their entries in the Final-Round, but will not be interviewed by judges. Performance and Documentary students selected for the Final-Round of judging should have two copies of their process paper and bibliography ready for this round of judging. Performance and Documentary rooms are open to the public during Final-Round judging. A list of the projects that have advanced to the Final-Round of judging will be posted to social media (@MNHHistoryDay) at the times listed below as well as online at [mn.nhd.org](#).

Category	Estimated Posting Time	Final-Round Judging Begins	Are students Present for the Final-Round?
Documentary	1:30 pm	2 pm	Yes
Performance	1:30 pm	2 pm	Yes
Exhibit	1:30 pm	2 pm	No
Website	1:30 pm	2 pm	No

# Advancing to Final-Round

The Final-Round judging process is shaped by the number of entries in each category:

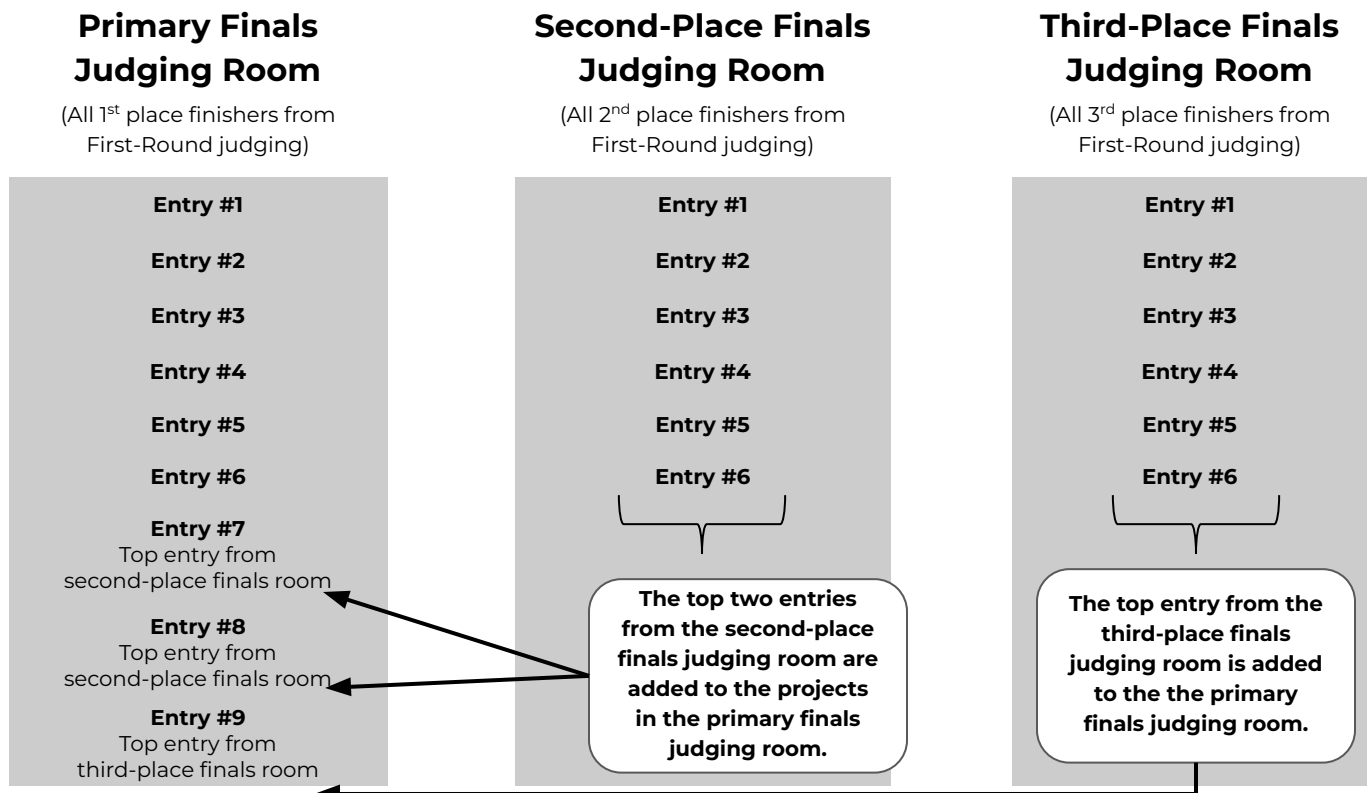

**Senior Documentaries and Senior Performances:** Senior Documentaries and Senior Performances will have three First-Round judging teams in each category. The top three entries from each First-Round room advance to a single Final-Round room. These judges will view all of the finalists and select winners.

**All Exhibits, All Websites, Junior Documentaries, and Junior Performances:** There will be at least four First-Round judging teams in each of these categories.

- The **top entry** in each First-Round room will advance to the primary finals judging room.
- The **second-place entry** in each First-Round judging room will advance to the second-place finals judging room. After evaluating these presentations the judges will select the top two entries in the second-place finals judging room to immediately advance to the primary finals judging room.
- The **third-place entries** in each First-Round judging room will advance to the third-place finals judging room. After evaluating these presentations the judges will select the top entry in the third-place finals judging room to immediately advance to the primary finals judging room.

## Performances and Documentaries: Pay Attention!

In Junior Performance and Junior Documentary categories, the top entries in the second-place and third-place finals judging rooms will be required to present for a third time. The judges who make this decision will announce the entry that is moving on shortly after the final presentation in the second- and third-place finals rooms. Students should stay nearby to make sure that they do not miss this announcement. See the diagram below.

## Why are Final-Rounds Designed this Way?

This system is designed to make sure that the top three entries in each First-Round judging room receive the opportunity to be reviewed in a Final-Round judging process. Participation in the second-place or third-place finals judging room run-off does not affect the judging in the primary room. **Many entries have progressed to Nationals after advancing from the second- and third-place finals judging rooms.**

# Pre-Awards

The Pre-Awards Ceremony will take place in the **Auditorium**, on the first floor of the Convention Center.

- Doors will open at 12 pm.
- **Pre-Awards** will begin at 12:30 pm and include thank you's, announcements, teacher recognition, and Topical Prize results. **No category results** will be announced during Pre-Awards.
- Attendance at the Pre-Awards Ceremony is optional. Students that receive Topical Prizes need not be present to win. A classmate or teacher may pick up their award on their behalf.
- Results from the First-Round will not be announced during Pre-Awards, but will be available online at [mn.nhd.org](http://mn.nhd.org) and social media (@MNHHistoryDay) at the end of the ceremony.

## Category Awards and Results

The Awards Ceremony will take place in the **Auditorium**, on the first floor of the Convention Center.

- Doors will open at 5 pm.
- The **Awards Ceremony** will start at 5:30 pm, pending the completion of Final-Round judging, and will run until 6:30 pm. Students are encouraged to sit with other representatives of their school and applaud the efforts of all winners. You may want to bring signs to let the other participants know where you are, but no Exhibits or Performance props will be allowed into the Auditorium. **Allow students who are finalists to sit on, or near, the aisle to help speed up the presentation of awards.**

History Day staff has made every effort to ensure an efficient Awards Ceremony. Pre-Awards is designed to distribute awards and recognition that are available earlier. We are not delaying category results. **Category results will not be available until 5:30 pm.** Given the volume of award winners, this ceremony will run until 6:30 pm.

## Posting of Final Results

Complete results, including National Qualifiers, Honorable Mentions, and Topical Prize winners, will be posted on our website by 9 pm on Sunday, April 27: <http://mnhs.org/historyday>.

## Judge Evaluations and Participation Certificates

Judge evaluations will take time to process and will not be available during the day or immediately following the Award Ceremony. Teachers will be notified when evaluations from first and, if applicable final-round judges are available. Participation certificates will be mailed directly to teachers.

## National Contest Eligibility

The first- and second-place award-winners in each category are eligible to advance to the NHD National Contest at the University of Maryland near Washington, D.C. Travel dates for the Minnesota delegation will be June 7-13. National Qualifiers will receive a packet of information concerning the National Contest at the Awards Ceremony. This information will be explained in a meeting immediately following the Awards Ceremony in the Auditorium.

**Registration for nationals is due Tuesday, May 13.** There is only a short time to make participation arrangements. It is important that eligible award-winners attend the National Qualifiers meeting immediately following the Awards Ceremony.

## Clean-Up

**TAKE-DOWN REMINDER!** Exhibits, props, and media equipment may be removed before or following the Awards Ceremony. All personal belongings must be removed by 7:30 pm. Any lost-and-found questions should first be directed to the Minneapolis Convention Center by checking their website (<https://www.minneapolis.org/minneapolis-convention-center/attendees/lost-found/>) or calling their Command Center 24/7 at 612-335-6040. If your item is not found, then contact the State History Day office at (651) 259-3489 on the Monday following the event. **History Day staff will not save Exhibits that are left behind.**

**Word Count:** Students should include the number of student-composed words in their Exhibit and the number of words in their process paper on the title page.

**Credits Required for all Visual Sources:** In accordance with the National History Day rules, implemented in 2020, credits are required for all visual sources on Exhibits. Review the instructions on page 31.

**Upon Arrival:** Student check-in is on the first floor of the Convention Center, in Ballroom B.

**Set-Up:** Students should have their Exhibit ready, and be at their table about 10 minutes before their judging time. Students may have assistance to carry and lift Exhibits, but **students are required to do all set-up.** Students should set-up their Exhibit either between 8–9 am or 10–10:30 am, if arriving late. Please wait at the Exhibit Hall entrance five minutes before your judging time to be allowed to enter the Exhibit Hall.

**Three-Dimensional Exhibits:** Space for three-dimensional (walk-around) Exhibits will be made by the Exhibit room coordinator after check-in. A limited number of walk-around tables will be available. If you move your Exhibit to a separate table, leave a note and wait for your judging team at your original table. Be sure your table number is posted in both locations.

**Valuables:** Please do not leave valuables unattended during First-Round judging. Judges and staff will not “guard” objects for you.

**Electricity:** Students with Exhibits needing electricity should indicate this during registration and plan to bring an extension cord. There is limited access to electrical outlets in the Exhibit Hall.

**Exhibit Hall Schedule:** Our highest priority is to make sure the Exhibit hall is a place for fair judging. Access to Exhibit areas will be limited at several points during the day.

- **8–9 am:** Open access for Exhibit set up and public viewing.
- **9–10 am:** Closed access for First-Round judging. Only judges, students currently being interviewed, and parents/teachers supporting students currently being interviewed should be in the room.

**Final-Round Judging:** After the First-Round of judging is complete, judges will select their top three entries to advance to Final-Rounds of competition. During the Final-Round of judging, a different judge panel will view Exhibits **without** student representation. If your entry advances, make sure that there are at least two copies of your Process Paper and Annotated Bibliography in front of your Exhibit before the room closes for Final-Round Judging.

## When Can I Remove My Exhibit?

**Once Final-Round judging begins, under NO CIRCUMSTANCES will students be allowed to remove their Exhibits until finals is complete.**

Once Final-Round judging is complete, Exhibits may be taken down and removed (tentatively 4:30 pm) or stay in place until after the Awards Ceremony. All Exhibits must be removed from the Convention Center after the Awards Ceremony and no later than 7:30 pm.

If you need to leave the contest before Final-Round judging is done, make arrangements with your school or other students to pick up your Exhibit. # Websites and Exhibits: Credits for Visual Sources

The *National History Day Contest Rule Book* **REQUIRES** credits for visual sources. Judges will look for credits on both Websites and Exhibits at the Regional, State, and National levels of competition.

## ***National History Day Contest Rule Book***

- All quotes and visual sources (e.g., photographs, paintings, charts, graphs) must be credited on the exhibit and cited in the annotated bibliography (See: 6.4. *Individual Category Rules – Exhibit, Rule D5, pages 30-31*).
- All quotes and visual sources (e.g., photographs, paintings, charts, graphs) must be credited on the website and cited in the annotated bibliography (See: 6.5 *Individual Category Rules – Website, Rule E6, pages 33-36*).

Alice Paul, 1918, Library of Congress

Alice Paul was responsible for the campaign for women's suffrage and the introduction of the Equal Rights Amendment.

## **Caption**

A student-written **caption** is not required and does not count toward the student-composed word limit.

There is no template for a caption. Captions count toward your word limit, so keep them brief when possible!

If you include a caption, you should put it near to the image, either below or to the side.

## **Credit**

A brief, factual **credit** is required and does not count toward the student-composed word limit.

Generally, credits are in the following format:

*Brief title or description of image, Year it was created, Creator of image or organization that owns image*

A credit is much shorter than a citation. For example: The sample credit includes the organization where this picture can be found, but does NOT include the publisher or city.

Students may consider including these credits in a smaller font, below or to the side of the image on the Exhibit, similar to how a credit appears in a book.

# Frequently Asked Questions about State

## How many students will be at State?

We're expecting about 900 students and 600 entries.

## What if I have a scheduling conflict?

Use online registration to let us know. Check the tentative schedule when it's posted.

## Who are the judges?

History Day judges are volunteers. They come from a variety of professional backgrounds. They love history and working with young people.

## What should I wear?

There is no dress code. Wear clothing that makes you feel confident. **Remember:** Only Performance students can wear costumes.

## Where can I eat?

There will be concessions available inside the Convention Center. There are also several restaurants within walking distance from the Convention Center.

## How much money should I bring?

Students will need money for lunch and snacks. There will also be a fee for parking. You can also purchase t-shirts, mugs, and buttons.

## What should I do when I'm done being judged?

Students should bring games, music, or homework to State. You can also watch other student presentations or friends being judged to show your support! You could also leave and come back later if you choose.

## What if I need help with technology?

- **Limited** tech support will be available near Documentary rooms during judging.
- **Wireless Internet Access:** Select the open guest wireless network.

## Why isn't the Exhibit hall open all the time?

Judges and students have told us that it is hard to look at Exhibits and talk with judges while the room is full of excited people. We are limiting access to Exhibit areas to help keep distractions to a minimum and improve judging.

## What if I arrive and need to set up my Exhibit after First-Round judging has already started?

There will be a second time allowed for Exhibit set up between 10-10:30 am. Students should plan to arrive in time to set up during this window if they won't be there right away in the morning.

## How many copies of process papers and bibliographies do I need?

Bring at least four copies. Remember to print AND staple them before arriving!

- **Note on Printing:** There will be a printer available near the registration area for *emergencies only*. We will only be able to print one copy of paperwork.

## What should I do/bring for Documentary or Website technology?

Please look at the category-specific instructions so you can bring all necessary equipment to State.

## Can we leave and come back?

Yes. You can leave and come back to the event. For Performances and Documentaries, look at the instructions for your category so you do not miss Final-Round postings and that you can return to the event in time for Final-Round if you are being judged again. Keep in mind that you will have to pay for parking again if you leave the ramp or lot.

## Will Final-Round schedules be posted online?

Final-Round schedules will be posted on social media (@MNHHistoryDay) as well as at [mn.nhd.org](http://mn.nhd.org).

## Do I have to be there for Final-Round?

If selected for Final-Round, Performance students must be present. No taped Performances are allowed. We prefer that Documentary students are present if selected for Final-Round, but a teacher or other student can play the Documentary in the Final-Round if you have a conflict. Website and Exhibit students will not be present for Final-Round judging.

## Why does it take so long?

We know it can seem like a long wait from your interview to the Awards Ceremony. Behind the scenes, staff are working hard to make things happen as fast as possible. There are 900 students at State. There is literally no way that we can have the Awards Ceremony any earlier.

## Do I have to go to Pre-Awards?

Pre-Awards will have plenty of fun and Topical Prize results, but no contest results will be presented. Teachers should plan on attending, as we will recognize their support of the History Day program. It's also a great way to pass the time before First-Round results are posted!

## Do I need to be at the Awards Ceremony to win?

Students do not need to be present to be eligible for the National Contest or to win a Topical Prize. If a student is unable to be present, a teacher or friend may pick up the medal or packet during awards.

## What if I need help at the event?

Look for a staff member in a bright blue bowling shirt. Our college mentors wear yellow bowling shirts.

## What if my question isn't listed here?

Your friendly History Day staff is here to help! Call or email us for help: Sammi Jo Papas (651-259-3439, [Samantha.Papas@mnhs.org](mailto:Samantha.Papas@mnhs.org)).
